

**FAIRNESS  
FOR FAIRVIEW  
IT'S TIME.**

The "Seward-Glenn Mobility PEL Study" is a project to determine the future of the Gambell-Ingra Corridor through Fairview. Safe streets and walkable neighborhoods should be available to everyone.

## Let's Create a Better Fairview!

### **Make Fairview whole.**

Reinvest in Fairview for safer roads, less pollution, and more.

### **Put environmental justice first.**

Address ongoing environmental injustices, including health and economic inequities.

### **Revitalize Fairview.**

Improve our economy, resilience, and public health. Advocate for a livable Winter City.

### **Reduce the highway's impact.**

Be innovative, like the Fairview Greenway, three-lane road diet, and more.

### **Safety for all.**

Include pedestrian, bicycle, and transit users at every step.
