Join our Fairview Action Team

Residents in Fairview in Anchorage, AK, are working to empower their neighbors to transform their community. Join us!

Our efforts are growing, and they include:

- **Push Back the Darkness:** Winter light campaign to brighten up the neighborhood.
- **Community Garden:** Coming soon at Ingra & 14th Avenue.
- **Air monitoring in Fairview:** Residents and business owners monitor air quality to educate and engage in real-time data.
- **Voices of Fairview:** Showcasing leaders that make Fairview home. Hear from community members directly about their efforts to create a more resilient and fair neighborhood.

Let's Create a Better Fairview!

Make Fairview whole.

Reinvest in Fairview for safer roads, less pollution, and more.

Put environmental justice first.

Address ongoing environmental injustices, including health and economic inequities.

Revitalize Fairview.

Improve our economy, resilience, and public health. Advocate for a livable Winter City.

Reduce the highway's impact.

Be innovative, like the Fairview Greenway, three-lane road diet, and more.

Safety for all.

Include pedestrian, bicycle, and transit users at every step.
